 CONTRACTOR: BENNIE HISTORIC CONSERVATION

CONTRACT VALUE: CONFIDENTIAL  
 GROSS INTERNAL AREA: 4,616m<sup>2</sup>

One of the finest country houses in England, designed by Hawksmoor with a wing by Wren, unsympathetic additions and a fire in 2002 meant there was much for the new owners and their architects to address at Easton Neston. Repairs complete, attention turned to the sensitive incorporation of modern facilities. This project has not only demanded an understanding of traditional crafts, but also the ability to reconcile conservation with contemporary life.
